January 2019

Voted Best Preschool in Acworth!

The 3, 4, and 5 year old classes did an amazing job with their Christmas programs. I was so impressed with their singing and playing the hand bells! Great job! I want to thank Ms. Karen and the classroom teachers for their time and hard work preparing for the program.

We had a wonderful response to our Christmas Angel donations. Thank you for your support and generosity. Many families were reached by your thoughtfulness.

It is hard to believe that we will soon be preparing for the 2019-2020 school year. Please be on the look-out for registration forms which will be sent home the week of January 14. Registration will open to the general public on February 4.

As cold weather is approaching, please remember that we will follow the Cobb County closings. If Cobb County is delayed or closed, the preschool will be closed. I will post any closing on the preschool Facebook page and send a text through Remind 101. If you need information on how to sign up for Remind 101, let us know and we will send it home. If Cobb Co closes early, we will also close early. Information will be sent via text to your phone as well as on the preschool Facebook page. Happy New Year!

Supply Lists

Students with last names N-Z should send in their supplies this month. Supply Lists Listed on Back!

2019-2020 Preschool Registration

Registration forms will be sent home the week of January 14. Registration forms and registration fees can be returned in your child's folder or you may bring them to the preschool office. Registration opens to the public on February 4. Student Evaluations will be sent home the week of Jan. 14. Schedule an appointment with your child's teacher if you have concerns or are having trouble deciding the best placement for your child for the upcoming school year.

Monthly Blessing

I thank you God for sleep last night.
I thank you God for the morning light.
I thank you God for this happy day.
And help me keep it just that way.

Monthly Bible Memory Verse(s)

"Trust in the Lord with all your heart."

Prov 3:5

Fine Motor Skill of the Month:

(4's and 5's)

Fine motor skills are developed gradually with repeated practice, and one of the wonderful things about fine motor development is that most of it can be done through play and ordinary daily activities.

Folding and Spooning

- Most children can fold things before they can fold paper.
- Demonstrate how to open and close a magazine. Describe as folding it together.
- Next show how to fold napkins, towels, socks and allow your child to practice.
- Work towards folding paper. Make a paper fan.
- Let your child spoon solids such as gravel, sand, salt, and small buttons into various containers.
- Practice spooning liquids. You can add food coloring to the water so it can be easily seen.
- Let the children spoon things like applesauce, raisins, and dry cereal.
